

Download E30 Manual Transmission Swap

I was looking for a good read about this issue . Searching in Google I found this blog . After going over this information I'm very happy to say that I have finally found just what I was looking for.6.0 engine mounts. Besides various brake assemblies there are perfectly fitting engine mounts for the V8 change in the E30 on my commercial web page on www.300mm.de to buy (engine mount type 5). These can be painted black, or, as in the image on request at an additional cost can be plated (yellow coated) and galvanized.E30V8.com is the home of the BMW E30 5.0 V8 conversionThis 1991 BMW 325ic M-Technic II convertible is powered by a 3.0L M54 inline-six paired with a 5-speed manual transmission. The car previously resided in Florida, Ohio, and later California, where the previous owner commissioned the engine swap and the installation of coilovers, 5-lug suspension, E36 M3 brakes, and more.
