Clan Curse is a supernatural limitation experienced by a vampire based on their clan. Clan Curses are at the core of the defining traits of a vampire, and are one of the features that sets traditional vampires apart from Caitiff. According to the Book of Nod and the Erciyes Fragments, the...In the role-playing game Vampire: The Requiem by White Wolf Game Studio, vampire characters belong to one of five fictional clans, each of which is representative of an archetype in vampire literature. It is assumed that each clan descended from a single progenitor, who passed to each of his descendants, or childer, his unique gifts and flaws.. The origins of the vampire species are mysterious. White Wolf Publishing was a roleplaying game and book publisher. The company was founded in 1991 as a merger between Lion Rampant and White Wolf Magazine (est. 1986 in Rocky Face, GA; it later became "White Wolf Inphobia"), and was initially led by Mark Rein-Hagen of the former and Steve Wieck and Stewart Wieck of the latter. White Wolf Publishing, Inc. merged with CCP Games in 2006, White ...The tabletop roleplaying game that started the Old World of Darkness line. White Wolf, the game's publishers, subverted many tropes of roleplaying games from the late 80s by making the player characters monsters (as opposed to heroes who hunt them) and installing a Karma Meter that makes violence a dubious solution in many situations. In this game, players take the roles of vampires (aka the ...
