Also for: Xp-247 series, Xp-243 series, Xp-245 series, L386 series.Page 1 User Guide...; Page 2 Bluetooth is a trademark owned by its common to most models. Some features otherwise using any software product proprietor and used by Hewlett-Packard may not be available on your tablet. preinstalled on this computer, you agree to Company under license.WOW!!! MANY thanks for these 3 responses. Seems that I have 3 options as to the necessary 'upgrading' the PC from Version 1709 to 1803. I have also just noticed that under 'Settings', 'System', 'About', there is a 'click' option to upgrade my edition of Windows.
