Your manual transmission can take a heck of a beating over the years and it is one of the most neglected service areas on a car. The fluid assists in the lubrication and heat disputation of the transmission, and even though it is in a closed environment, the fluid can become old and contaminated. Hey guys, try to think about the world as *world*, not only as *United States of A.*. Over here in Germany most Mercedes cars are available with manual transmission. As a rule of thumb you can say that every Mercedes with 4 and 6 cylinder engine i...
